

MINISTRY OF DEFENCE
(Office of the JS(Trg) & CAO)

IMPLEMENTATION OF HON'BLE SUPREME COURT JUDGMENT DATED 19 FEB 2008
IN SLPs 4545/07 AND 5853/07- RE-DRAWAL OF SELECT LIST/SENIORITY LIST IN THE
GRADE OF ACSO

Reference draft seniority list in the grade of ACSO(now SO) circulated vide this department note of even number dated 25 Apr 08 in the implementation of the Hon'ble Supreme Court judgement dated 19 Feb 08 inviting objections/suggestions from all concerned.

2. The objections received in response to the draft seniority list circulated on 25 Apr 08 have been examined in detail and have been found to be without merit for the reasons mentioned against each, in **Annexure I.**

3. As was already mentioned in Para 6 and Para 9 of this department note of even number dated 25 Apr 08, the effect of Shekhar Prasad Judgement has since been incorporated. The revision of panels has accordingly been done from the DPC year 1987-88 onwards. Accordingly, select lists in the grade of ACSO from DPC year 1987-88 up to 1995-96, who have consumed the DP quota of the substantive vacancies in the seniority list up to and including Sep 2000, have been re-drawn and are enclosed as **Annexure II** to this Note.

4. The final seniority list is enclosed as per **Annexure III** arranged in the order in which substantive vacancies have been allotted to each officer and will be used for making further promotions. This supersedes all earlier seniority lists in the grade of ACSO for the corresponding period.

5. In terms of AFHQ Civil Service Rules 1968, a seniority list is required to be prepared on 01 Oct each year. Accordingly, the seniority list has been prepared up to 01 Oct 2000, the last October before the new AFHQ CS Rules 2001 came in to effect on 26 May 2001. It is apparent from a close look at the seniority list that it consists of 737 serving officers (SOs & above) as on 01 Oct 2000 which exactly tallies with the strength of the cadre.

6. This may be given wide publicity.

Major objections received against draft Seniority List and reasons for their non-acceptance

Point No.1 - Writ Petitions No. 4458/2002 and 62/2003 have been allowed by the Hon'ble Supreme Court and therefore the seniority list needs to be recast taking these points in to consideration.

Reasons for non-acceptance - These writ petitions have only been allowed to the extent directed by the Hon'ble Supreme Court in their order dated 19 Feb 2008. Seniority lists already prepared in compliance with Ammini Rajan order read with MG Bansal order strictly conform to Hon'ble Supreme Court orders.

Point No.2 - Original seniority of all DP officers in the grade of ACSO on regular basis and subsequently to the grades of CSO and SCSO are required to be restored since the action of the Department to hold the review DPC and to unsettle the settled seniority in all the grades was deliberate and unilateral.

Reasons for non-acceptance - In terms of Hon'ble Supreme Court judgment, seniority list in the grade of ACSO has been recast which has superseded all earlier seniority lists. The issue has also been decided in terms of Para 116 of Ammini Rajan Judgement which has been upheld in terms of Para 25 and 32 of Hon'ble Supreme Court judgment.

Point No. 3 - Seniority of DP SOs should be based on the principles of continuous officiation.

Reasons for non-acceptance - It has been held by the Apex Court (Para 24) that the promotees would get the benefit of continuous officiation from the date of their substantive appointment.

Point No. 4 - The seniority list consists of names of officers retired 40 years ago who may not even be alive.

Reasons for non-acceptance - If 40 year old select / seniority lists are re-drawn it is bound to contain certain officers who are already retired. Also as per provisions regarding review DPC all officers who are borne at the time of the original DPC have to be considered and consequently all such officers have figured in the select / seniority list.

Point No. 5 - As per DOP&T instructions all long term vacancies beyond 1987 are to be treated as substantive vacancies. As per court judgment, the original DPC year i.e. 01 Oct of the year to 30 Sep of the following year is to be retained.

Reasons for non-acceptance - Calculation of panel size beyond DPC year 1987 have been done after taking all long term vacancies as substantive vacancies only. With regard to the DPC year being Oct-Sep the Deptt has adhered to the principle.

Point No. 6 - Since authorized strength of DR SOs in the cadre is 170 (25% of total 680 posts authorised in the grade of SO) the figure of 370 unfilled DR quota vacancy is totally wrong.

Reasons for non-acceptance – The point is without merit and contrary to the provisions of AFHQ Civil Service Rules, because quota of respective streams is in vacancies arising during a DPC year and not in total authorised strength.

Point No. 7 - All unfilled DR quota vacancies should be utilized for regularizing DP ACSOs.

Reasons for non-acceptance - Supreme Court has categorically ruled that vacancies belonging to one stream cannot be utilized by the other stream.

Point No. 8 - Although DR SOs are appointed against existing substantive vacancies, they have been assigned substantive vacancies of dates much later to their actual date of joining.

Reasons for non-acceptance - Giving position to a DR SO against a slot of a later date to his actual joining is merely incidental and has occurred in implementation of the court's direction wherein the principle of rota-quota and their rank position in the UPSC has to be maintained.

Point No. 9 - Excess DRs of a particular recruitment year have been bunched together at the bottom after the last substantive vacancy of that year. They should have been bunched at the top, as there is no provision of bunching in AFHQ CS Rules 1968.

Reasons for non-acceptance - As per Supreme Court judgement DR SOs are not entitled for antedated seniority and only unfilled vacancies are to be carried forward and not unfilled slots. As such substantive vacancies to DR SOs are being allotted from the year of joining (Oct-Sep) of the earliest joinee of a particular batch. The DR SOs are rotated and allotted substantive vacancies falling to DR quota in the year in which they joined (as pronounced in the operative part of Ammini Rajan judgement). While doing so the inter-se seniority among themselves is kept intact. When a number of DR SOs joining in a year is in excess of their authorized quota of substantive vacancies in that year, the rotation is made to the extent of the authorized quota of that year and thereafter the excess DRs have been adjusted against the carried forward DR vacancies and bunched together at the bottom in that particular year (i.e. the year of joining).

Point No. 10 - Bunching together of DR SOs at one place in the seniority list and not having rotated them with DP officers in the prescribed ratio is in contravention of court judgment. Dates of substantive vacancies in respect of the bunched DR SOs have also not been shown.

Reasons for non-acceptance - DR Officers are being allotted substantive vacancies falling to DR quota falling in the year in which they joined service. While doing so the inter-se seniority among themselves based on the UPSC merit has been kept intact notwithstanding the fact that some of them may have joined much earlier / later compared to their juniors / seniors. This has been done in view of the specific provisions of Rule 16 (6) and Court directions. The unfilled DR vacancies for each year were left unfilled. In any particular year when the number of DR who joined are more than their authorized quota the excess DR have been adjusted against the earlier carried forward DR vacancies but the seniority of these excess DRs has been fixed with reference to their year of joining in terms of Court direction.

Point No. 11 - DP SOs should be assigned substantive vacancies on completion of two years of probation which has not been complied with in preparing seniority list while implementing Ammini Rajan Judgement.

Reasons for non-acceptance - The Supreme Court in their judgement has directed to determine and settle the seniority list in strict compliance and spirit of the judgement of the CAT dated 20 Nov 92 (MG Bansal judgement). One of the directions of the CAT in that judgement {Para 25(d)} was that "if an officer has been promoted within his quota, then it would be date of his promotion and not the

date of confirmation which would be relevant for the officer's seniority". Therefore, the seniority of the DP SOs has been fixed correctly as per the court directions.

Point No. 12 - Seniority list should be prepared from 1968 onwards based on the principles laid down by the Hon'ble Supreme Court.

Reasons for non-acceptance – Hon'ble Supreme Court has directed that order of MG Bansal be strictly implemented. It has also been held that there is no discrepancy, no contradiction or overlapping or inconsistency whatsoever between the orders of MG Bansal and Ammini Rajan. Consequently the substantive directions of Hon'ble Supreme Court is to apply all the principles laid down by the orders of Ammini Rajan and MG Bansal while drawing the seniority list. The seniority list issued in compliance with Ammini Rajan order incorporates the directions of MG Bansal also and has been issued since 1968 onwards. For the reasons stated above, the seniority list as annexed complies with the directions of Hon'ble Supreme Court.

Point No. 13 - Officers who have since retired from service should have also been included in the seniority list.

Reasons for non-acceptance - Department has adhered to this.

Point No. 14 - The department has for inexplicable reasons left out significant and relevant observations of the Hon'ble Supreme Court contained in Para 24 of the judgement.

Reasons for non-acceptance - Para 24 of the Supreme Court judgement discussed the relevance of Note -2 of Schedule III of the Rule and its interpretation. The department has complied with the observations.

Point No. 15 - The Department continued to give seniority to DR SOs from a date prior to their being actually borne in the cadre (i.e actual date of appointment).

Reasons for non-acceptance - In terms of specific directions of court judgements to keep Oct-Sep as the DPC year for the purpose of determining seniority all DRs of a particular batch are taken as one unit and are adjusted against the slots meant for DRs keeping their UPSC merit intact starting from the substantive vacancy slot of Oct of each year. Thus a DR officer who has joined late but has a superior UPSC merit will figure ahead of another DR officer of the same batch who is below in UPSC merit.

Point No. 16 - DR SOs appointed against a substantive vacancy continues to be a probationer and gets substantive appointment only when they are confirmed as per Rule 14 of AFHQ CS Rules 1968. DP SOs appointed to the grade (Offg appointment) is also on probation from the date of appointment. Therefore, reckoning of seniority of DR SOs from the date of appointment and that of DP SOs only after two years after they complete probation is fallacious and against the letter and spirit of the AFHQ CS Rules.

Reasons for non-acceptance - The point is factually incorrect. As per directions of the court in MG Bansal case a DR or DP SO counts his seniority when he/she gets a substantive vacancy in his own quota and the date of confirmation is no longer relevant.

Point No. 17 - Assigning the DP SOs seniority from a date of substantive vacancy later to their date of appointment after 1987 is totally wrong, as after 1987 the Deptt took into account all long term vacancies occurring during a year for sending requisition to UPSC. Hence select lists / panel of DP SOs from 1988 onwards have been drawn strictly against 75% legitimate quota for DP in long term regular vacancies.

Reasons for non-acceptance -Seniority of a promotee officer remains linked with the availability of substantive vacancy. It can be seen from circulated list that Deptt has adhered to this principle.

Point No. 18 - Rule 22 of service i.e power to relax has been used during 1986 for lapsing the unfilled quota of DRSOs for 312 vacancies with the approval of Defence Secretary. The lapsed vacancies were required to be filled by promotee officers to avoid cadre management problem.

Reasons for non-acceptance –The statement made is factually incorrect.

Point No. 19 - One ST officer has represented that he was promoted as ACSO against a reserved category vacancy and not against any DR quota vacancy. Therefore not mentioning the substantive vacancy against his name in the draft seniority list is wrong and against the reservation policy of the Govt.

Reasons for non-acceptance – Directions of Hon'ble CAT in MG Bansal case at Para 25 (e) are relevant on the issue and have been followed.
