INSTRUCTIONS FOR ALLOTMENT OF MOD POOL ACCN IN SPECIFIED AREAS

1. As per Accn Rules Officers can request for allotment of MOD Pool accn in specified areas broadly covering the following situations: -

Reasons for specifications:-

(a) Request for specified areas / floor restriction on medical grounds duly supported by medical certificate from the authorized medical attendant. To be countersigned by the applicant's next superior officer

(b) Request on grounds of children's education duly supported by certificate/copy of latest fee receipt, from concerned school. To be countersigned by the applicant's next superior officer.

(c) Request on administrative grounds duly recommended and countersigned by the applicant's Director General/Equivalent.

(d) Request on personal grounds duly authenticated by facts/documents. To be countersigned by the applicant's next superior officer.

2. Further, **applications** for allotment in specified areas for regular/ hostel accommodation **should be submitted to CAO/E-1** along with necessary documents as mentioned above, **04 working days before their name appears in the offer letter**. Such applications from officers who have been offered accn will not be entertained. Officers specifying areas will be considered within the specified areas only, which may result in longer waiting period.

3. An officer cannot specify more than three localities and no alteration / addition / deletion will be allowed after acceptance of the request by the competent authority.

4. Officers having seniority in more than one pool may apply for specified areas separately in each pool. Otherwise, choice given in one pool will be considered for both pools, as applicable.

5. Specifying localities is optional and not compulsory. Officers not specifying localities will be considered for all localities in their pool for regular as well as hostel/hired accommodation depending on the waiting period for that particular type of accommodation.

6. As per ISAAC decision dated 15 Dec 2010, officer may be permitted first change in his Specified Area choice within a year of their assumption of appointment. Second change, however, may be permitted only after one year.
