Ref. notes of Ministry of Defence on pre-pages seeking clarification regarding reimbursement of rail-fare to Govt. Officials while travelling on Premium Trains run by Indian Railways on LTC.

2. The matter has been examined in consultation with Department of Expenditure. It has been inferred that the fare charged by the Indian Railways for Premium trains shall not be reimbursable for the journeys performed while availing LTC. However, in cases where LTC journey has already been performed in these trains, the train fare may be reimbursed restricting it to the admissible normal fare for the entitled class of train travel or the actual fare paid, whichever is less.
